

# YASH KADEKAR

## Cybersecurity Enthusiast & Web Developer

A/P Kolpewadi, Kopargoan 423602 | +91 9890833541 | yashkadekar22@gmail.com

### CAREER SUMMARY:

Cybersecurity enthusiast & web developer skilled in Python, C++, Java, HTML, CSS, JavaScript, and SQL. Experienced in building secure, scalable web apps and integrating security best practices across Linux and Windows Server environments.

### WORK EXPERIENCE:

PRAM Educate IT Solutions LLP

Mobile App Testing Intern

- Performed manual testing for mobile applications to identify and document bugs.
- Collaborated with the development team to improve app performance and user experience.
- Provided detailed test reports and suggestions for quality improvements.

### RELEVANT PROJECTS:

AI-Powered Insurance Claim Assistance Web App – HackRx 6.0  
(Hackathon Project)

- Developed a web app integrating Gemini API for AI-based claim query assistance and document analysis.
- Implemented secure file upload and real-time Q&A functionality.
- Collaborated with team to present a functional prototype during hackathon.

Futuristic Role-Based Project Management System (Personal Project)

- Designed a responsive dashboard with Admin and Student role-based access control.
- Built using HTML, CSS, JavaScript (frontend) and Python (Flask) with MySQL database.
- Simulated backend integration for project tracking, task allocation, and reporting.
- Created a membership site to create, manage, track subscriptions, and sell digital products.
- Made a customizable checkout process to ensure that customers purchase products easily.

### EDUCATION:

2024 – 2028 | Sanjivani University

Bachelor of Computer Science – Cyber Security

### SKILLS:

- Front-end & Back-end: HTML, CSS, JavaScript, Bootstrap, Python (Flask/Django), MySQL, REST API Integration
- Programming Languages: Python, C++, Java, JavaScript, HTML, CSS, SQL
- Cybersecurity: Secure coding, Kali Linux tools, Linux/Windows Server, vulnerability assessment, data protection
